

MAGCREATOR

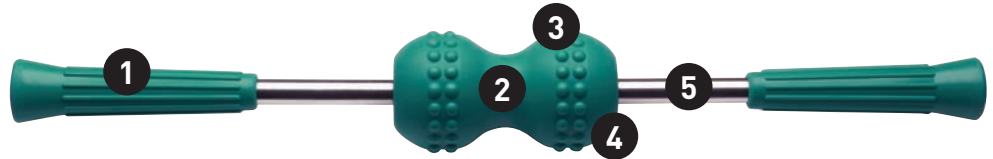

QUICK REFERENCE SHEET

- *Helps ease tension, relieve stress*
- *Combines massage and magnetic field*
- *Can help ease muscular aches*
- *Non-invasive, drug-free relief*
- *Simulates a good night's sleep on Kenko™ Sleep System*

MagCreator construction

- 1** Comfort-grip handles
- 2** Internal magnets
- 3** Massage nodules
- 4** High-impact casing
- 5** Steel shaft

MAGCREATOR FEATURES/BENEFITS:

- **Ergonomic design** Engineered to match contours of back for maximum effect.
- **Internal ball bearings** Rolls easily, gently.
- **Massage nodules** Provide a relaxing, stimulating massage sensation.
- **Magnetic technology** Similar to the Earth's natural environment.
- **High-impact components** Designed for long life.
- **Non-slip grip handles** Make performing a Rollout easy and comfortable.

MAGCREATOR

QUICK REFERENCE SHEET

THE FACTS

- Stress can produce a pronounced effect on back and shoulder blades. The ache and stiffness that accompany sore back muscles can impair mobility. An aching back can influence other aspects of life and generate overall discomfort and fatigue.
- Massage is known to provide relief for sore muscles, tension, discomfort and stress. Massage applied to the back is especially effective; anyone who has experienced a good backrub is aware of its benefits.
- The Nikken MagCreator is designed to roll fluidly down the spinal column and soothe tied, tense muscles. Its structural bearings and stainless steel shaft are engineered to produce a continuous rolling action from the shoulders to the lower back, maximizing the effect that a back massage provides.
- The surface nodules add an extra level of stimulation, like a deep massage. The MagCreator's internal magnets simulate the Earth's natural magnetic field that has protected human health for millennia.
- Comfort-grip, non-slip handles ensure stability while performing a Rollout with the MagCreator. The internal ball bearings decrease rolling resistance.
- A Rollout with the MagCreator results in back and muscles feeling refreshed and revitalized, and this sensation of comfort helps relax the entire body.
- The Nikken MagCreator is an effective demonstration tool for the Nikken Kenko Sleep System. A Rollout imparts a feeling similar to a night's rest on the Sleep System, in minutes.

PRODUCT INFORMATION

ITEM CODE	DESCRIPTION
#1330	MagCreator
AVAILABILITY	
US: YES	CN: YES
FEATURED NIKKEN TECHNOLOGY	
Nikken Magnetic Technology	
GAUSS RATING	
800	
WEIGHT	
2.90	
MATERIALS CONTAINED IN PRODUCT	
Stainless steel, solid magnets, poly resin	
CARE INSTRUCTIONS	
To clean, wipe with damp cloth. Do not immerse in water.	
WARRANTY INFORMATION	
One-year Nikken standard limited warranty.	

QUICK SHARING TIP

After receiving training for use of the MagCreator, offer an invitation for a free Rollout, explaining that in only a few minutes you can demonstrate how it feels to be relaxed and energized.

CAUTION: If you use an electronic medical device such as a pacemaker, or have a magnetically sensitive surgical implant, do not use or wear magnetic products. Women in the first trimester of pregnancy, or anyone who has a health problem should first consult a physician before using magnetic products. Do not place magnetic products in direct contact with magnetically sensitive items such as watches, audio/video tapes, credit cards, portable electronic equipment, etc.
